Secretary of State Bruce McPherson Releases Amended Statement of Vote for the June Primary Election

SACRAMENTO, CA - Secretary of State Bruce McPherson today released an amended certificate of the results of the official canvass of votes for the June 6, 2006 Primary Election. The amendment was necessary due to the recertification of vote totals in the counties of Los Angeles and Solano. None of the outcomes of the contests were affected by the changes in votes cast and certified to the Secretary of State by these two counties.

Vote totals have been changed in both the electronic and printed versions of the Statement of Vote to reflect the amendments made by Los Angeles and Solano counties.
